

HOW TO REGISTER FOR THE LIVESTREAM LECTURES VIA ZOOM

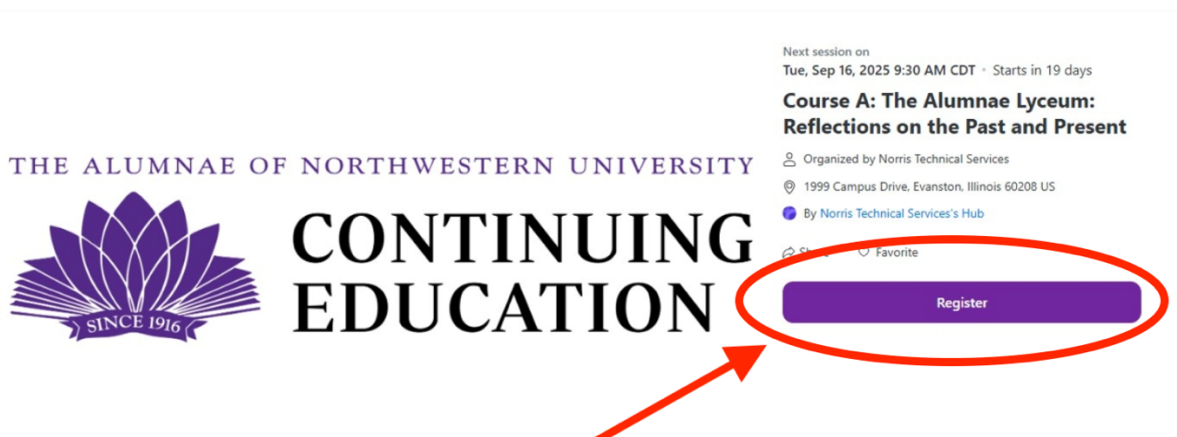

If you plan on livestreaming class at any time during the academic quarter, you must take the additional step of registering on Zoom, which is separate from enrolling in the course through the Norris Box Office.

Why do you need to take this extra step? Norris Box Office uses Audienceview, a credit card payment processing platform. Zoom is a webinar platform. The two platforms cannot share information with each other ... which is a good thing for security reasons.

Reminder emails will be sent from Norris Virtual both 24 hours and also one hour before each session. If you do not see these emails with the attendee link, check all of your email accounts, spam, junk, trash and deleted messages folder for an email from Norris Virtual <noreply@zoom.us>

Step 1 - Find and open your payment confirmation email from audienceview.com. Scroll down to find the link(s). Each course has its own registration link.

Step 2 - Click on the link, which will take you to the Zoom registration page. Click on the Registration button.

Step 3 - Enter the email address you used to enroll, and enter your name. Click on the Confirm Registration button.
